Dear Mr & Mrs. Collier,

I want to thank you all for the lovely beads you sent me for graduation. They certainly are pretty and mighty nice.

I have married since I graduated and am now living in Dallas, Tex. I married A.B. Johnson cousin here & wish you could meet him. He finished at M college this year and is working with the Otis elevator co. They are sending us to Yonkers, N.Y. next month where A.B. will work for about a year.

(over)

I wish you all would write
to us and if you all are coming
down this way soon come by
to see us. we would love to
see you and hear from you.
many thanks again for
the lovely gift.
I am

your cousin
